

About CIIPD

Cambridge International Institute For Professional Development (CIIPD) has been a pioneer in higher education certificate & diploma programs, focusing on real-world applications and close collaborative relationships between students and their professors. Students can choose to study at their own pace or through live lecture programs. We are an Autonomous Online Education Institute to promote & upgrade busy working professionals.

**“Empowering Lives,
Enabling Inclusion,
JKP Care Foundation,
where compassion
creates impact”**

About Our Programs

Our programs are thoughtfully designed to benefit parents, professionals, and individuals passionate about learning and supporting the neurodiverse community. While we welcome learners from all walks of life, please note that certain programs may have specific eligibility criteria. We encourage you to connect with our Admissions Counselors to find the right course for you.

Each program is developed with a strong emphasis on practical application and experience-based learning, guided by seasoned experts in the field. However, we advise all participants to review and comply with the regulations and licensing requirements applicable in their respective countries, as our programs are educational in nature

HOW TO ENROLL

Embarking on your learning journey with JKP Care Foundation is simple and seamless. If you're inspired to take the next step toward enhancing your skills or supporting children with special needs, we are here to guide you. To begin the enrollment process, simply reach out to our dedicated Admission Counselors.

Our team will walk you through every step — from understanding the right course for your goals, to clarifying eligibility, schedules, and fee payment options — ensuring you make an informed and confident decision. Join us and be a part of a global movement of compassionate and skilled professionals making a real difference.
