ABOUT OUR SCHOOL

ASPIRE is a unique online learning school specially designed for children with Autism Spectrum Disorder (ASD). Our mission is to provide personalized education and therapy support in a safe, home-based environment.

At ASPIRE, we combine academics, communication development, social skills, and life skills to help your child reach their full potential.

ASPIRE - Autism Schooling Program for Individualized Rehabilitation & Education

At ASPIRE e-Pathshala we have developed a comprehensive home-schooling and learning support program designed specially for children with Autism and other developmental challenges. We offers a structured, engaging, and personalized online learning experience to help every child grow at their own pace — emotionally, socially, and academically.

FAQ for ASPIRE – e-Pathshala

1. What is ASPIRE?

ASPIRE is an online school specifically designed for children with Autism. It offers individualized education and support programs to help children learn, communicate, and develop essential life skills in a structured, home-based environment.

2. Who can enroll in ASPIRE?

Children diagnosed with Autism Spectrum Disorder (ASD), aged 3–18 years, can enroll. Programs are tailored according to each child's developmental level, learning style, and abilities.

3. What makes ASPIRE different from regular online schools?

- Individualized learning plans for every child
- Support from trained special educators and therapists
- Structured routines and interactive activities to improve communication, behavior, and academics
- Regular parent guidance to reinforce learning at home

4. How does online learning work at ASPIRE?

Children attend live online classes from home using a computer or tablet. Sessions are interactive, combining academics, therapy-based activities, and life skills training. Parents and caregivers are actively involved in the learning process.

5. What technology do I need at home?

- A stable internet connection
- A computer, laptop, or tablet with a camera and microphone
- Basic familiarity with online video platforms (training and support will be provided)
- Either Parent or Caregiver shall be involved in the process to assist the child.

6. How do I enroll my child?

Parents can fill out an enquiry form on www.jkp.ngo/schooladmission. After reviewing the child's profile, the ASPIRE team will schedule an assessment and guide you through the enrollment process.

7. Is ASPIRE suitable for all levels of autism?

Yes. Programs are designed to accommodate mild, moderate, and severe autism, with learning strategies and support adjusted according to each child's abilities.
